Re: In the Matter of Lifeline and Link Up Reform and Modernization, WC Docket No. 11-42 – Millennium 2000, Inc. Petition for Forbearance

Dear Ms. Dortch:

Pursuant to the Commission's 2016 *Lifeline and Link Up Reform and Modernization Third Report and Order, Further Report and Order, and Order on Reconsideration*, WC Docket No. 11-42 (rel. April 27, 2016) ("Lifeline Reform Order"), Millennium 2000, Inc. ("Millennium 2000") Petitions the Commission for Forbearance from Lifeline Broadband Internet Access Service ("BIAS") requirements.

On January 5, 2012 in Docket 9593-TI-100, the Wisconsin Public Service Commission authorized Millennium 2000 as a wireless Eligible Telecommunications Carrier ("ETC") in the non-rural wire centers served by Wisconsin Bell, Inc. (d/b/a AT&T Wisconsin).¹ Millennium 2000 does not provide service in any high cost area. Millennium 2000 seeks blanket forbearance from the requirement to offer Lifeline discounts on BIAS throughout its entire ETC service area. Attached as Exhibit 1 is a list of the wire centers for the Company's Wisconsin ETC service area.²

Please do not hesitate to contact me should you have any questions.

Sincerely,

S/Paris L. Haynes
Paris L. Haynes

¹ Millennium 2000 is currently in inactive status in Wisconsin and is in the process of reinstatement with the Wisconsin Public Service Commission.

² Exhibit 1 is intended to encompass each and every wire center for the Company's ETC Service Area in Wisconsin. To the extent one or more wire centers were inadvertently omitted, Millennium 2000 reserves the right to supplement this filing to make administrative corrections to Exhibit 1.

Exhibit 1

Millennium 2000, Inc.
